

Dear students,

The exam will be performed by test in moodle.

The UWB moodle is on url: [moodle.zcu.cz](http://moodle.zcu.cz) (or <https://phix.zcu.cz/moodle/> )

In moodle swich into English (in upper right corner of window). If the English language will not be switched at all words go by the Czech words:

Select the current academic year, then click on FST (= Fakulta strojní, Faculty of nechanical design)

then click on department KKS (Katedra konstruování strojů)

then click on KKS/ZDMT

then click on blue square and log in UWB Moodle by yur Orion nick and password.

then in the weeks find the Erasmus exam – Transport vehicles and handling machinery, click on it and you will be in the test

A necessary condition for passing the exam is to obtain a credit, ie. the student must send me the completed tasks.
