

Sometimes it is difficult to find a common time for common consultation of all students together during the semester. Therefore, this solution is possible:

Look at www.home.zcu.cz/~nemecl and there is a **table of my free times**. **White box means free time for consultations.**

FOR EXAMPLE:

	Bílá pole označují VOLNÉ ČASY pro konzultace, apod.	1.	2.	3.	4.	5.	6.	7.	8.	9.	10.	11.	12.	13.	14.
		07:30 08:15	08:25 09:10	09:20 10:05	10:15 11:00	11:10 11:55	12:05 12:50	13:00 13:45	13:55 14:40	14:50 15:35	15:45 16:30	16:40 17:25	17:35 18:20	18:30 19:15	19:25 20:10
Po															
Út															
St															
Čt															
Pá															

In addition to this table, my e-mail address nemecl@kks.zcu.cz also contains a link to my "operative" absences (see: "My absence at KKS can be indicated operatively on the door of my office or **HERE**")

Please email me in advance that you would like to participate in my consultation and I will respond. Come to the UK114 room.
